## Key Features

- A functional single story plan
- Open concept kitchen, living and dining area
- Two full baths
- Laundry/utility closet
- Front porch with cedar decking
- Full, unfinished basement

The Griffin floor plan is proof you don't have to sacrifice space and functionality in a single story floor plan. This bright, open concept ranch has three bedrooms, 2 full baths and a laundry/utility closet. At 1,374 +/- square feet, you can still have a large master suite with bath, bright and open kitchen, living and dining, a utility closet for storage and a full unfinished basement with the option to finish down the road.
