Key Features

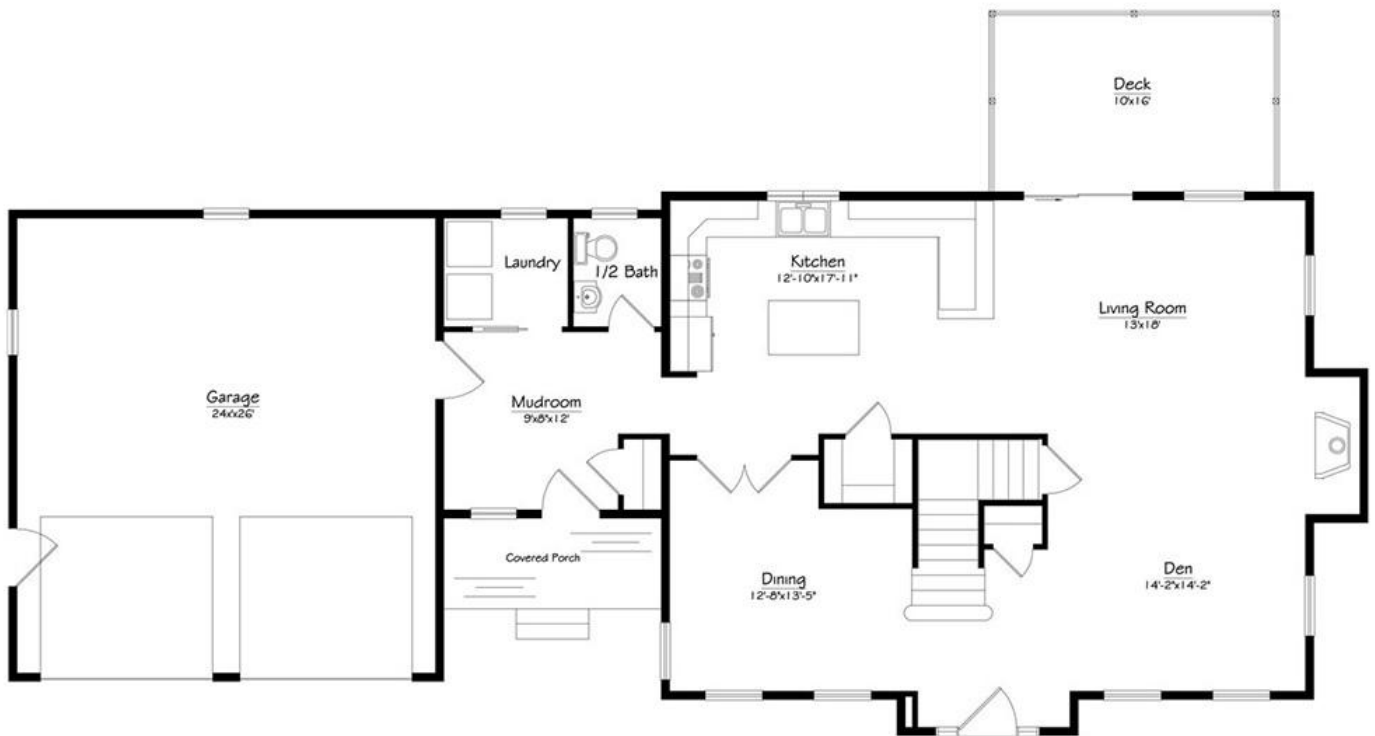

- Tiled mudroom with laundry area and half bath
- Formal dining room & den
- Fireplace with mantel & surround
- Master suite with bath and walk-in closet
- Second floor home office
- Full, unfinished basement

At 2,300+/- square feet this colonial has it all: three large bedrooms, including a master suite, 2 full baths and first floor half bath, home office, a large living area with a fireplace, den and formal dining room. The covered breezeway and mudroom connects the garage and the main house and adds curb appeal. Design your kitchen, select your flooring, paint colors, lighting and more. Customize to make this floor plan your dream home!

Some features shown are considered upgrades. Prices subject to change due to market conditions. Until a contract is signed, we cannot guarantee a specific price.
